

EDUCATING ALL STUDENTS (EAS); 2021-2022: Initial and Advanced Programs

PURPOSE

The New York State licensure exams address New York Education Law and Commissioner's Regulations, which require prospective New York State educators to pass designated tests as a requirement for receiving state certification. The explicit purpose of these tests is to help identify for certification those candidates who have demonstrated the appropriate level of knowledge and skills that are important for performing the responsibilities of an educator in New York State public schools.

ADMINISTRATION

As a proprietary exam, EAS is administered by New York State Teacher Certification Examinations (NYSTCE) as a computer-based assessment (2021-2022). The exam is required for initial programs as part of their program of study. For Advanced Programs, most candidates have completed the exam for certification prior to program admission, thereby accounting for the variations in exam completers across initial and advanced programs.

INSTRUMENT

The Educating All Students exam (EAS 201) addresses five competencies related to the professional and pedagogical knowledge and skills necessary to teach all students. Two of these, Teacher Responsibilities and School-Home Relationships, are assessed by selected-response items only. The other three competency areas – Diverse Student Populations, English Language Learners, and Students with Disabilities and Other Special Learning Needs – are each assessed by a combination of selected-response questions and

one extended constructed-response item. These items require candidates to analyze a variety of data to flexibly apply pedagogical knowledge and “to use research-validated instructional strategies that are responsive to the characteristics and learning needs of students with a broad range of backgrounds and needs.” As criteria for success, our EPP target is to meet or exceed the average state level pass rate benchmarked at a minimum average of 80%.

Exam competencies are aligned with CAEP, InTASC, College and Career Readiness standards, and professional standards for respective disciplines. Competencies also tagged to the Touro Candidate Learning Outcomes (CLOs) and indicators for Equity and Access.

RELIABILITY AND VALIDITY

The New York State Teacher Certification Examinations (NYSTCE) were validated in accordance with professionally accepted procedures for the validation of certification tests and was monitored by the New York State Education Department. Reliability is determined through repeated administrations of each exam. Estimates for reliability for all NYSTCE tests are typically in the range of 0.95 to 0.98. (http://www.nystce.nesinc.com/content/docs/NYSTCE_Validation_Reliability.pdf)

ANALYSIS

EPP

The pass rates for both Initial and Advanced Programs were higher than the State required target of 80% across all programs delivered in Manhattan, Flatbush (Brooklyn) and Bay Shore for the 2021-22 administration. Note, ODW = Outside Data Window for reporting each cycle.

Early Childhood/Special Education B-2 (I).

The Manhattan campus program pass-rate was 96% in 2020-21 and 92% for 2021-22, the Brooklyn campus pass-rate was 95% in 2020-21 and 96% in 2021-22 and Bay Shore campus program was 75% in 2020-21 and 100% in 2021-22.

Childhood Education/Special Education 1-6 (I).

The Manhattan campus program pass-rate was 92% in 2020-21 and 92% in 2021-22, the Brooklyn campus pass-rate was 95% 2020-21 and 96% 2021-22 and Bay Shore campus program was 100% for both years.

Childhood/Sp. Education Residency 1-6

The Manhattan campus program pass-rate was 100%

Jewish Childhood Education/Special Education Gr1-6 (I)

The Manhattan campus program pass-rate was 100%.

Special Education 7-12 (I).

The pass rate in 2020-2021 for Manhattan was 93%, in 2021-2022, it was 100%. The pass rate in Brooklyn was 100% in 2020-2021 and 96% in 2021-2022. In Bay Shore the pass rate was 100% in 2021-2022. There were no test takers in 2020-2021 in Bay Shore.

Mathematics (I).

The Manhattan campus program pass-rate was 80% in 2020-21 and 89% in 2021-22.

English to Speakers of Other Languages (A)

The Manhattan campus program pass rate was 100% in 2020-21 and 90% in 2021-22.

Instructional Technology (A)

The Manhattan campus program pass rate was 100%.

School Building & District Leader Dual Certification (A)

The Manhattan campus program pass rate was 100%.

PROPOSED ACTIONS FOR PROGRAM IMPROVEMENT

EPP. To improve and sustain scores at or above an overall 80% pass rate, each program will organize coursework according to a developmental sequence. In redesign of the roadmap, candidates will be advised a specific academic term in which to take the EAS workshop and Exam.

Early Childhood/Special Education B-2 (I). The Target for improvement is to maintain and/or increase the scores.

Childhood Education/Special Education 1-6 (I). The target for improvement is to maintain the passing scores above 90% in all the program locations.

Childhood/Sp. Education Residency 1-6

The target for improvement is to maintain 100% pass rate in the Manhattan campus program.

Jewish Childhood Education/Special Education Gr1-6 (I).

The target for improvement is to maintain 100% pass rate.

Special Education 7-12 (I).

The pass rates for the EAS is 93% or higher in all locations. The target for improvement is to continue curriculum mapping to revise all course syllabi to align instruction and assignments with EPP Candidate Learning Outcomes, State standards and equity and access indicators.

Mathematics (I). The target for improvement is to increase the pass rate from 89% to 92% by having candidates take the EAS test preparation workshop before they take the exam.

English to Speakers of Other Languages (A) The target for improvement is to increase the pass rate from 90% to 93%.

Instructional Technology (A). The target for improvement is to maintain 100% pass rate.

School Building & District Leader Dual Certification (A). The target for improvement is to maintain 100% pass rate.
